DELTA DENTAL

Health Is Priceless

In 2017, Delta Dental of Oklahoma Foundation provided a major grant for \$205,000 allowing our dental clinic to provide access to free oral health care to those less fortunate in our community. Of course, funding is only the beginning. These programs would not be possible but for the tireless efforts of ALL our volunteer dental professionals, educators, students and staff providing oral health care to our patients.

In-kind Contributions	
Pharmaceuticals	\$651,212
Diagnostic Labs	\$154,391
Building Lease	\$115,770
Professional Services	\$186,260
Total In-kind	\$1,107,633

Gratitude is the inward feeling of kindness received.
