

## "I'd Never Been to A Doctor Before."

Jose began feeling bad just a few months ago. He was really thirsty all the time and he felt just awful. A friend of his mom mentioned Good Shepherd Clinic. She is a patient here and suggested that the clinic could help Jose. He was able to get an appointment and our doctors quickly diagnosed him with diabetes. Since starting treatment, Jose has been able to get his blood sugar down from 500 to 90 and he feels really good!

One big surprise for Jose was learning that he would also receive dental treatment. "My teeth were really bad. They still are, but the clinic is working on them still." It's helpful to him that he can have all of his services provided in one location.

The clinic has made a deep impression on Jose. He had never been to a doctor in his life until he came to us. "I feel welcome here. Everyone has a smile on their face. I feel great every time I come." Perhaps most importantly, the clinic fits Jose's budget. It also helps a lot that he can come to clinic in the late afternoon and evening. He tries not to miss work because it means a smaller paycheck. At Good Shepherd, he can get off work at his normal time, go home, shower, and come to the doctor without affecting his work schedule.

"I have a one year old son and I want to be around for him and for my family. I need to take care of myself." Jose is motivated to stay healthy and now he has the appropriate medical and dental care that he needs. "I would recommend this clinic to anyone. This is a great place."

## Celebrating National Doctors Day

We are so thankful at Good Shepherd Clinic for every doctor, PA, nurse, and

medical provider who gives their time and skill to serve our patients. Because we are grateful, we are celebrating National Doctors Day on March 30th. It is a holiday that honors physicians for the work they do for their patients, the communities they work in and for society as a whole.

During the week of March 25-30, 2019, we will honor some of our favorite doctors on social media. Look for videos from some of our students about a doctor or medical provider who inspired them. You can leave a post on our site about a doctor who made an impression on you. Let's honor those who keep us healthy!

You can also help us celebrate by contributing to the work of Good Shepherd. **Will you donate to Good Shepherd Clinic in honor of a doctor, PA, nurse, or medical provider who has been important in your life?**

## It's Time for Golf!

It's spring and golf is just around the corner. Now is a great time to sign up to play in our Charity Golf Tournament on May 13, 2019. The tournament will be held at The Greens Country Club at 1pm. A team of four can register for \$500 and single players for \$150. If you are interested, click the link here to sign up.

Health Is Priceless

## Looking Ahead

### March 18th - 22nd Spring Break

The Clinic is closed for Spring Break. Thank you to our amazing volunteer providers and students - enjoy a break!

### April 5th Board Strategic Planning Meeting

The Board of Directors will meet to plan and envision Good Shepherd's future work in Oklahoma City.

### April 12th Fun Friday at Good Shepherd

Once a month, Good Shepherd hosts a Friday dental clinic. Volunteer dentists and hygienists help us serve more patients with an extra day of care.

### April 13th OU Big Event

Students from OU blanket the city with volunteers and Good Shepherd is pleased to welcome student volunteers to the clinic.

### April 28th Remington Park Extreme Race Day

Remington Park welcomes you to come to the races - the extreme races! Watch as exotic animals race. This family friendly event is one of the ways Remington Park is supporting Good Shepherd. As one of their charities this year, our clinic will be at the event selling some fun kid items. Come out for fun and visit us!
